

To Whom It May Concern,

I am writing this letter to recommend hiring Caitlin Escobar. I have worked with her for 6 years. She has not only been a colleague, but also a mentor. She has inspired me as an educator to continue learning and inspiring students every year.

I have been teaching 15 years and taught 13 of those in fifth grade and we as a grade level always continue to adapt and change every year and a lot of that is due to Mrs. Escobar. Her compassion for students to learn is phenomenal. I have personally put my daughter in her class in third and fifth grade. My daughter not only loves school, but adores her because of the community she builds in her classroom. She is a person who goes above and beyond to help students, colleagues, parents and the school community. She also helps our teachers and families who only speak Spanish. She is the only teacher in the building who is bilingual.

She is an integral part of our staff and community. I could not do my job without her. She will be an amazing asset to anyone who hires her. She will be deeply missed in our community. If you have any questions you can contact me at 406-539-0610.

Sincerely,
