To Whom It May Concern:

My name is Erin Erdman and I am the Assistant Principal at Roger Gehring Academy of Science and Technology. The purpose of this letter is to provide my recommendation for Caitlin Escobar for a teaching position in your district.

I served as the supervising administrator for Caitlin Escobar at Evelyn Stuckey Elementary from August 2016 through November of 2019. Mrs. Escobar is an effective educator who cares deeply for her students' academic and social/emotional growth. Mrs. Escobar's lesson plans consistently demonstrated knowledge of components of an effective lesson with adequate scaffolding and differentiated instruction to ensure concept and skill development. Mrs. Escobar sufficiently used data to inform instructional practices. She actively collaborated with her team in professional learning communities and in all site-based professional development. Mrs. Escobar established and maintained and good rapport with the Stuckey community and stakeholders through her commitment to education. She served on several school committees and attended school functions outside of her contractual time.

Mrs. Escobar always carries a positive demeanor and is not afraid to ask questions as needed. She is well-liked and respected by her colleagues. I believe she would make a wonderful addition to your district. If you have any further questions, please feel free to reach me at [conviel@nv.ccsd.net](mailto:conviel@nv.ccsd.net).

Regards,

Erin Erdman  
Assistant Principal
